DETAILED ACTION

Response to Arguments

Applicant's arguments filed 6/19/06 are persuasive. Applicant is correct that USP 4,038,057 (Roth) fails to teach or suggest providing a nutrient in the collection media to "maintain the viable matter in a living state without promoting growth". The same can be said for US publication 2002/0066321 (Lagraff et al.).

Withdrawn claims 5-11,14-15,20-22,36-39 are rejoined. Currently, claims 1-3,5-40,66-81 are currently pending.

Claim Objections

Claims 66 and 67 are objected to because of the following informalities:
dependency upon a cancelled claim. Appropriate correction is required.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Regarding claims 5-9,66,67,75, the term "type" renders the claim(s) indefinite because the claim(s) include(s) elements not actually disclosed (those encompassed by "algal type", "botanical type", etc.), thereby rendering the scope of the claim(s) unascertainable. See MPEP § 2173.05(d).

Allowable Subject Matter

Claims 1-3,10-40,68-74,76-81 are allowed.

Art Unit: 1744

Claims 5-9,66,67,75 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

As allowable subject matter has been indicated, applicant's reply must either comply with all formal requirements or specifically traverse each requirement not complied with. See 37 CFR 1.111(b) and MPEP § 707.07(a).

Conclusion

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
